

Win a \$50 American Express Gift Card

Submit your ideas on how to promote the CERA credential

The Society of Actuaries is fully engaged in a CERA awareness campaign, designed to promote the CERA credential. This effort cannot be done without your help. We would like your creative ideas on how to promote the CERA credential to fellow actuaries, employers and university students. The person who submits the best idea will receive a \$50 American Express gift card.

To submit your ideas on how to promote the CERA credential, e-mail or call Chaundra McGill, CERA Marketing and Communications Project Specialist at cmcgill@soa.org or 847.706.3694.
